# Client Success Stories- NOV

NOV reached out to us at Three Dimensions Est for basic fabrications and flooring solutions. After our consultation and understanding of their expansion plans, we facilitated and fulfilled their furniture requirements and supplemented the renovation plans. This personalised approach help NOV save on their budget and help us win a client for lifetime.

## 40%

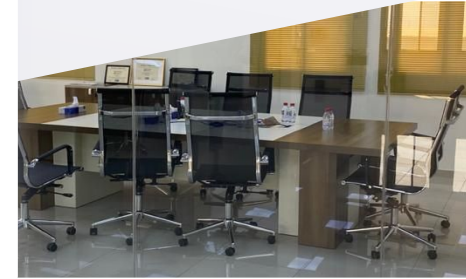

Savings in budget due to increased productivity

## 90%

Customer Satisfaction

- Strategically customised and designed their office furniture
- Proactively found cheaper production alternatives
- Worked on revamping the flooring and walls
- Renovated the interiors with best in class furniture and lounges

# NOV

# Client Success Stories- Arabian Gulf Constructions (Saudi Aramco)

Saudi Aramco wanted to revamp their workstations, Lab Facility and Locker areas as they noticed a drop in employee productivity and satisfaction. After a detailed inspection of their facilities, we custom made the required furniture for them. The new work stations with increased comfort resulted in high employee productivity and happy employees. Happy employees result in happy customers

## 50%

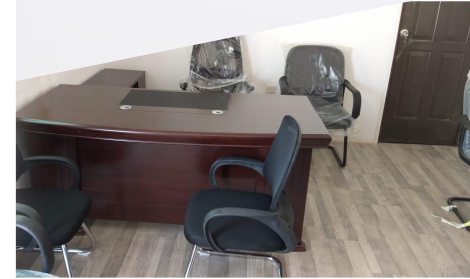

Increase in employee  
productivity & comfort

## 95%

Customer Satisfaction

- Strategically identified and designed custom made state of the art workstations.
- Revamped the lab facility with new best in class alternatives
- New workstations improved employee productivity & Comfort
- Renovated the interiors with best in class furniture and lounges

# Client Success Stories- Alittefaq Steels

Alittefaq Steels has been one of our prominent customers with whom we have shared a perpetual partnership. In the most recent project we undertook for them, we worked on their executive workstations to make it more ergonomic and comfortable. Which in turn would increase productivity and efficiency.

## 50%

Increase in employee productivity & comfort

## 95%

Customer Satisfaction

- Designed custom made ergonomic executive workstations.
- Added comfortable lounges and book shelves in the lobby.
- New workstations improved employee productivity & Comfort

# Client Success Stories- Arabian Gulf Constructions (Saudi Aramco)

"We really need to change the entire process of training our team and upgrade it" This was the exact statement our client at Alnassar shared with us on our first meet. We eventually helped them design and set up a new best in class Industrial Training Center. Employees now feel 60% more confident while reaching out to new clients because of the upgraded training.

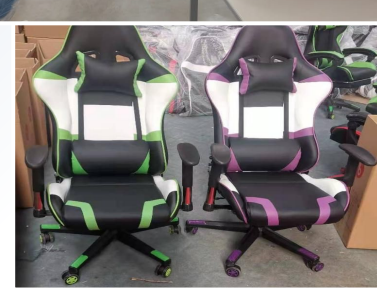

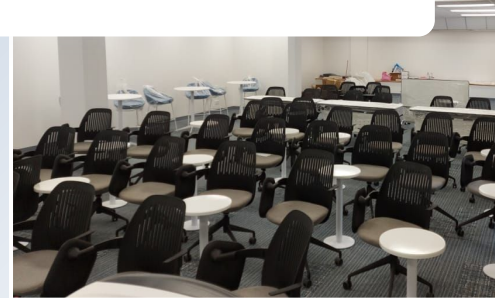

## 70%

Increase in retention rate

## 60%

Boost in employee's confidence

- Designed and set up new Industrial Training Center
- Due to new training center, responses from clients have increased
- Employees felt comfortable during long training hours hence absorbed the skills faster
